

UNITED STATES OF AMERICA  
DEPARTMENT OF TRANSPORTATION  
OFFICE OF THE SECRETARY  
WASHINGTON, DC

Issued by the Department of Transportation on June 17, 2004

**NOTICE OF ACTION TAKEN -- DOCKET OST-1998-3333**

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Application of US Airways, Inc. filed 11/20/02 to:

XX Renew for two years exemption from 49 U.S.C. § 41101 for US Airways to provide the following service:

**Scheduled foreign air transportation of persons, property, and mail between Charlotte, North Carolina, and London (Gatwick), England.**

Applicant rep: Howard Kass (703) 872-5230 DOT Analyst: Sylvia Moore (202) 366-6519

**DISPOSITION**

XX Granted.

The above action was effective when taken: June 17, 2004, through June 17, 2006

**Action taken by: Paul L. Gretch, Director  
Office of International Aviation**

XX The authority granted is consistent with the aviation agreement between the United States and the United Kingdom.

Except to the extent exempted or waived, this authority is subject to the terms, conditions, and limitations indicated:

XX Holder's certificates of public convenience and necessity

XX Standard exemption conditions (attached)

**Remarks:** The authority for which US Airways requested renewal expired January 23, 2003, but had been kept in force pursuant to the provisions of the Administrative Procedure Act, 5 U.S.C. 558(c), as implemented by 14 CFR Part 377, pending action on its timely renewal application.

On the basis of data officially noticeable under Rule 24(g) of the Department's regulations, we found the applicant qualified to provide the services authorized.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; (2) grant of the exemption was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR § 385.30, may file their petitions within seven (7) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
